<sup>\*4.6</sup> percent cost-of-living adjustment and a 1.5 percent increase to compensate for lower high five. Also under P.L. 87-793, 1965 retirees granted a flat 2 percent adjustment. Consequently, cumulative total for 1965 retirees as of 1 May 1968 is 16.8 percent, 14.5 percent of which results from P.L. 89-205 (Daniels bill)

<sup>\*\*</sup>Also under P.L. 87-793, 1966 retirees granted a flat 1 percent adjustment. Consequently, cumulative total for 1966 retirees as of 1 May 1968 is 9 percent.
